

Welcome to the Honors College

The IUPUI Honors College represents our shared vision for academic excellence. We expect our Honors Scholars to seek every opportunity to engage in the following learning activities that we know will prepare them to make an impact:

- engage in cutting edge and translational research
- explore their world as a global citizen
- offer their time and energy in service to others, and
- seek out real world work experiences in their field

We provide scholarships, an Honors curriculum and advising, international activities, research opportunities, and the experience of belonging to a community of scholars.

Overview

The [IUPUI Honors College](#) is a beacon of academic excellence, inspiring an enduring spirit of inquiry and discovery.

Our promise is a transformative [Honors College](#) experience that is challenging, engaging, meaningful, relevant, and one that builds a strong foundation for a lifetime of learning and engagement.

Our dynamic and unique academic endeavors are guided by the IUPUI Principles of Undergraduate Learning—essential ingredients of the undergraduate educational experience at IUPUI. These principles form a vibrant conceptual framework for all Honors Scholars' education.

The principles permeate the curriculum in the major field of study and the IUPUI Honors College. Specific expectations for IUPUI's graduates are determined by the faculty in a student's major field of study in the areas of Core Communication and Quantitative Skills, Critical Thinking, Integration and Application of Knowledge, Intellectual Depth, Breadth, and Adaptiveness, Understanding Society and Culture, and Values and Ethics.

Together, these expectations speak to what Honors Scholars will know as graduates of IUPUI, and what they will be able to do upon completion of their degree.

Facilities

Honors House

Honors House is located in the Campus Apartments on the Riverwalk and is open to honors-eligible students only. Each Honors House resident has a private bedroom within a two-bedroom apartment. A full-time resident assistant serves as a mentor, guide, and resource person

for residents. Resident assistants live on site and assist in program development and implementation, as well as meeting the individual needs of each of our residents.

Honors College Location

The new Honors College space in the lower level of University Library is designed to accommodate Honors staff as well as Honors Scholars. Interactive technology provides collaborative study space as well as individual study space while sustainable design features promote energy conservation and recycling.

Admission and Academic Policies

The IUPUI Honors College is open to specific scholarship cohorts of incoming freshmen in every major offered at IUPUI. Entering freshmen who apply by February 1 with a minimum combined math and verbal (critical reading) SAT score of 1250, or an ACT of 28 and a high school GPA of at least 3.75 are directly admitted to the Honors College.

This includes all Bepko Scholars and Fellows, Adam W. Herbert Presidential Scholars, Plater International Scholars, and Chancellor's Scholars.

The IUPUI Honors College offers high-ability incoming freshmen the opportunity to apply for our named scholarships, which include the Bepko Scholars and Fellows Program, the Adam W. Herbert Presidential Scholarship, and the Plater International Scholars Program. For details on these awards and information on the application process, visit <http://honorscollege.iupui.edu/scholarships/>. The application deadline for these scholarships is November 15.

All Honors College Scholars are required to complete one Honors course or experience every semester. Students may take no more than 6 credit hours of Honors work each semester. Students admitted to the Honors College prior to Fall 2010 are required to complete 18 Honors credits with a minimum 3.3 grade point average in order to graduate from IUPUI with Honors. Students admitted Fall 2010 and thereafter are required to complete 24 Honors credits with a minimum 3.3 grade point average in order to graduate with Honors.

Students have the following options for earning Honors credit: complete an Honors course, complete an Honors Contract, engage in research, study abroad, or take a graduate course as an undergraduate student. Students must complete and submit applicable paperwork to the Honors College office in order to earn Honors credit for all options other than an Honors course. All students must contact an Honors College staff member in order to obtain authorization to register for an Honors course with the exception of chemistry courses and Organizational Leadership and Supervision (OLS) courses. Students should contact those departments to request authorization.

Current IUPUI students who are not in the Honors College, but have at least a 3.5 GPA may be allowed to complete an Honors course or experience with permission from the Honors College. Interested students should discuss this with their academic advisor and then contact an Honors advisor for authorization prior to registration.

Student Organizations & Services

Student Organizations & Services

Honors College Student Council

Honors College Student Council is the student voice for all Honors Scholars. It connects and supports the development of IUPUI Honors College student organizations in an effort to develop a collaborative community of students in the IUPUI Honors College. Executive Officer positions, class representatives, and Honors Student Organization representatives comprise the general assembly and working body of the Student Council.

Honors House Council

Honors House Council for students living in the Honors section of the Campus Apartments on the Riverwalk are a member of this residential-based organization. Honors House Council does community building and educational

events for students living in Honors House. Leadership positions are available for students.

Alpha Lambda Delta/Phi Eta Sigma (ALD/PES)

These two first-year honor societies are active with community service, scholarship, and leadership. Full-time, first-year students with a 3.5 GPA or higher are invited to join these organizations. Scholarship opportunities are available through both national organizations for members. Monthly meetings, service events, and social events are held, and officers attend national leadership workshops. The ALD/PES chapter at IUPUI has been recognized as one of the top five chapters in the country every year since 2004. You'll find more information on the Honors College website at <http://www.honorscollege.iupui.edu/impact/societies/>.

Honors Adventure Club

The Honors Adventure Club plans regular outdoor and adventurous activities. Events like caving, camping, canoeing, poly-holiday party, skiing, and laser tag are just some examples of how students are engaged outside of the classroom. Leadership positions are available to students, including first-year students.

Honors Arts & Culture Society

The Honors Arts & Culture Society coordinates scholars to explore the diverse cultural experiences Indianapolis has to offer. Museum visits, international cuisine, symphony performances, and cultural festivals are just some of the great places the Society takes students. This group is open to all students to lead or join on trips throughout the city.

Honors Community in Housing

The Honors Community is located in the Campus River Walk Apartments and is open to Honors-eligible students. Two full-time resident assistants serve as mentors, guides, and resources for residents. They live on site and assist in program development and implementation, as well as meeting the individual needs of each resident. For more information about housing, please visit the Honors College website at <http://www.honorscollege.iupui.edu/honorshouse/>.

Honors College Courses

Honors-Designated and Honors-Approved Courses

are regularly offered as traditional-style courses with limited enrollment designed specifically for honors students with Honors appearing in the course title. Course enrollment is generally limited to facilitate more substantive interaction between students and the course faculty member. Course offerings vary from semester to semester.

Honors Contracts may be completed by an Honors Scholar and his/her professor to create a special Honors section for a course. The Honors Contract, the most common method for earning Honors credit, enables qualified students to engage in Honors work in courses not specifically designed as Honors courses by working with the faculty member to create a special Honors project. The student who enters into an Honors Contract with a faculty member will engage in work beyond what is required for a regular undergraduate course; the course will appear as Honors credit on the student's transcript. Honors Contract

forms must be submitted to the Honors College office no later than the end of the third week of classes during fall and spring semesters and by the end of the first week of classes during summer sessions.

For more information about Honors courses and Honors Contracts and to see a list of Honors courses offered for the current semester, please visit the Honors College website at <http://www.honorscollege.iupui.edu/curriculum/courses/>.

American Studies

AMST-A 303 ORGANIZING FOR SOCIAL ACTION (1-3 cr.)

Business

BIOL-K 102 HONORS CONCEPTS OF BIOLOGY I (5 cr.) An introductory course emphasizing the principles of cellular biology; molecular biology; genetics; and plant anatomy, diversity, development, and physiology. Faculty-supervised research projects and approved independent projects provide greater depth for honors students. This course carries honors credit.

BIOL-K 104 HONORS CONCEPTS OF BIOLOGY II (5 cr.) An introductory biology course emphasizing phylogeny, structure, physiology, development, diversity, evolution, and behavior in animals. This course will expose honors students to a unique series of laboratory investigations.

BIOL-K 323 GENETICS & MOLEC BIOLOGY LAB (2 cr.)

BIOL-K 325 CELL BIOLOGY LABORATORY (2 cr.)

BIOL-K 357 MICROBIOLOGY LABORATORY (2 cr.)

Business

BUS-A 204 Introduction to Financial Accounting: Honors (3 cr.) P: A100; sophomore standing. The course covers the concepts and issues associated with corporate financial reporting. Particular emphasis is placed on understanding the role of financial accounting in the economy and how different accounting methods affect the financial statement.

BUS-F 304 Honors Financial Management (3 cr.) Conceptual framework of the firm's investment, financing, and dividend decision; includes working capital management, capital budgeting, and capital structure strategies.

BUS-J 402 Administrative Policy: Honors (3 cr.)

BUS-K 204 The Computer in Business: Honors (3 cr.) Introduction to the role of computers in business, with emphasis on microcomputer applications. Experimental exercises include learning about Windows-based spreadsheets, database applications, electronic mail, and Internet navigation tools. The lectures focus on the use and application of technology (hardware, software, networks, databases) and integrates current management topics (business applications, systems development, data management, computer ethics).

BUS-L 204 Commercial Law I: Honors (3 cr.)

BUS-M 304 Honors Marketing Management (3 cr.)

BUS-P 304 Honors Operations Management (3 cr.) P: Students must meet the Option II admission criteria to

take the Integrative Core courses, including course, GPA, and grade requirements. R: Business student of junior or senior standing. Section authorization required. A survey course concerned with the production and distribution of goods and services. Part of the Integrative Core, along with F304 and M304. Examines how a firm produces and delivers its goods and services, with consistent and acceptable levels of quality, in a cost-effective manner. The discussion covers a wide range of interrelated issues including quality and process improvement, forecasting, planning, resource management, customer service, scheduling, and layout and process design. A semester-long, team project is the primary activity used to integrate the three core courses.

BUS-W 494 Herman B Wells Seminar in Leadership (3 cr.)

BUS-X 105 Business Administration Introduction: Honors (3 cr.)

BUS-X 293 Honors Seminar in Business (1-3 cr.)

BUS-X 293 DIVERSITY SCHOLARS RESEARCH (1-3 cr.)

BUS-X 393 HONORS WRITING EXPERIENCE (1 cr.)

BUS-X 493 Honors Seminar in Business (1-3 cr.)

BUS-X 496 Supervised Independent Honors Research in Business (1-5 cr.) P: senior standing. For students in Kelley School of Business Honors Program.

BUS-Z 174 LEADERSHIP IN ORGANIZATIONS (1-3 cr.) This course will give students an overview of leadership. It will do this by examining the changing nature of leadership and the leadership process. Topics to be covered include the difference between leadership and management, what makes an effective leader, and how leaders developed their leadership perspective, principles and model.

BUS-Z 304 MNGNG & BEHAV IN ORG: HONORS (3 cr.) Integration of behavior and organizational theories. Application of concepts and theories toward improving individual, group, and organizational performance. Builds from behavioral foundation toward an understanding of managerial processes.

Chemistry

CHEM 199 Honors Seminar (2 cr.)

CHEM-C 105 Principles of Chemistry I (3-5 cr.) Basic principles, stoichiometry, thermochemistry, atomic and molecular structure, gases, solution, and topics in descriptive chemistry.

CHEM-C 105 Principles of Chemistry II (3 cr.) Chemical equilibria with emphasis on acids, bases, solubility, electrochemistry, elementary thermodynamics, chemical kinetics, and selected topics in descriptive chemistry.

CHEM-C 496 SPECIAL TOPICS IN CHEMISTRY (0-3 cr.)

CHEM-C 496 METHODS IN TEACHING CHEM. (1 cr.)

CHEM-S 125 EXP CHEMISTRY I HONORS (2 cr.)

CHEM-S 126 EXP CHEMISTRY II HONORS (2 cr.)

Economics

ECON-S 201 INTRO TO MICROECONOMICS: HON (3 cr.)

Education

EDUC-F 400 Honors Seminar (1 cr.)

English

The School of Liberal Arts requires English W131 or W140, and W132, W150, or W231 for graduation for both the A.A. and the B.A. degrees. Contact the Writing Program at (317) 274-3824 or see the Web site (writing.iupui.edu) for questions about placement.

ENG-W 140 ELEMENTARY COMPOSITION-HONORS (3 cr.)

ENG-W 150 RES IN THE DISCIPLINES-HONORS (3 cr.)

HER-H 101 HISTORY OF ART 1 (3 cr.)

HER-H 101 HISTORY OF ART 2 (3 cr.)

History

HIST-H 105 American History I (3 cr.) I. Colonial period, Revolution, Confederation and Constitution, national period to 1865. II. 1865 to present. Political history forms framework, with economic, social, cultural, and intellectual history interwoven. Introduction to historical literature, source material, and criticism.

HIST-H 113 HISTORY OF WESTERN CIVILIZ 1 (3 cr.)

HIST-H 114 HISTORY OF WESTERN CIVILIZ 2 (3 cr.)

Honors

HON-H 100 Freshman Honors Seminar (3 cr.)

HON-H 110 Honors First Year Seminar I (3 cr.)

HON-H 111 Honors First Year Seminar II (3 cr.)

HON-H 198 Honors Topics (3 cr.)

HON-H 298 Honors Topics (3 cr.)

HON-H 299 Honors Tutorial (3 cr.)

HON-H 310 Creation of Modernity in West (3 cr.) A new junior-level integrator course for honors students only. Course examines rise of modernity in the West as an integrated social economic, scientific, and artistic phenomenon.

HON-H 398 Honors Topics (3 cr.)

HON-H 399 Honors Colloquium (3 cr.)

HON-H 497 Honors Colloquium (3 cr.)

HON-H 498 DO THE HOMELESS COUNT? (3 cr.)

HON-H 499 Honors Senior Thesis (1-6 cr.)

Journalism

JOUR-J 499 HONORS RESEARCH IN JOURNALISM (3 cr.)

Math

MATH 26100 Multivariate Calculus (4 cr.) P: 164. Equiv. IU MATH M311. Fall, spring, summer. Spatial analytic geometry, vectors, curvilinear motion, curvature, partial

differentiation, multiple integration, line integrals, and Green's theorem. An honors option for this course is available. Note: Effective Fall 2009, this course is offered under an updated course description, as below.

MATH-S 165 HONORS ANALYTIC GEOMETRY AND CALCULUS I (4 cr.) This course is the same topics as MATH 165. However, it is intended for students having a strong background in mathematics who wish to study the concepts of calculus in more depth and who are seeking mathematical challenge.

MATH-S 166 HONORS ANALYTIC GEOMETRY AND CALCULUS II (4 cr.)

Medical Humanities and Health Studies

MHHS-M 391 PERSPECTVS HLTH/DISEASE/HEALNG (3 cr.)

MHHS-M 492 Topics in Medical Humanities and Health Studies (1-3 cr.) Intensive study and analysis of selected issues and problems in Medical Humanities and Health Studies. Topics will ordinarily cut across fields and disciplines. May be repeated once for credit on a different topic. Fall 2010: Culture of Mental Illness.

Nursing

NURS-H 370 SENIOR RESEARCH INTERNSHIP I (3 cr.)

NURS-H 470 SENIOR RESEARCH INTERNSHIP II (1-5 cr.)

NURS-H 498 NURSING HONORS COLLOQUIUM (1-5 cr.)

NURS-Z 480 BSN PORT REV CRSE SUBSTITUTION (1-6 cr.)

Organizational Leadership and Supervision

OLS 25200 Human Behavior in Organizations (3 cr.)

OLS 32700 LEADERSHIP: GLOBAL WORK FORCE (3 cr.)

OLS 39000 LEADERSHIP:THEORIES/PROCESSES (3 cr.)

OLS 42300 GO GREEN - For Honors Credit (3 cr.) This course is interdisciplinary - emphasizing sustainability, engineering, manufacturing, technology, and leadership processes for the purpose of being environmentally responsible, cost effective, and socially responsible including guest lectures, group discussions, and tours of businesses, locally or in other countries.

Philosophy

PHIL-S 110 Introduction to Philosophy—Honors (3 cr.) This course is an introduction to key philosophical concepts and issues as well as major thinkers and historical periods.

PHIL-S 120 Ethics—Honors (3 cr.) A study of ethical values in relation to such problems as personal and societal decision making, selection and justification of lifestyle, goal orientation, conflict resolution, freedom and creativity, commitment and responsibility.

PHIL-S 314 Philosophy and Modern Times—Honors (3 cr.) A study of one or more philosophical concepts, themes, or developments characteristic of the modern period.

Political Science**POLS-Y 498 READINGS FOR HONORS (1-6 cr.)****Psychology****PSY-B 104 Psychology as a Social Science (3 cr.)**
