Social Security Number In accordance with the Privacy Act of 1974 and Indiana PL 22 of 1977, students or applicants are advised that the requested disclosure of their Social Security number to this office is voluntary. The student has the right to refuse disclosure of this number or request its removal from records without penalty. A special nine-digit student ID number will then be assigned for use throughout the duration of the student's involvement with the university. The Social Security number will be used to identify the student's records such as permanent transcript, registration, grade reports, transcript requests, certification requests; as an identifier for grants, loans, and other financial aid programs; and to determine eligibility, certify school attendance, and report student status. The student's Social Security number is not disclosed to individuals or agencies outside Indiana University except in accordance with the Indiana University policy on release of student information.
